We were made aware that some notifications were not getting to members. May be a gmail problem so additional review and testing is going to be done. Richard shared information is being shared via website, KOA Association facebook page, KOA Yellow Price facebook page, and emails to ensure members can access thru multiple forums.

KOA 2020 Summary was reviewed (see attached)

Election of Area Directors: Tim Cartmell's term is up but there was no expressed interest for someone new to take his position. Tim expressed interest in staying on the board so no elections will take place this year with Area 2.

New Business:

West Chester KOA thanked KOA for providing YTD Sales Report as new feature within K2 for Kampstore. Asked for update on sorting function within Kampstore. Michael said he knew it was on list but was not aware where on the list and when it might be done but would check into.

There was concern with the difficulty in getting yellow sweatshirts from Graphic Imprints. Cheryl will bring this item to Sandra's attention to see if she is aware.

Resolutions:

1 resolution was presented by West Chester KOA. (need to insert resolution once we get finalized and is approved by the area members).

Along with presenting this resolution, Jeff suggested that West Chester KOA participate in the Merchandising Committee to discuss further with the committee as well.

No additional topics were discussed and meeting was adjourned.
